<u>STORAGE INSTRUCTIONS</u>	
<u>Savory Piroshky Storage</u>	<u>Sweet Piroshky Storage</u>
Refrigerated, piroshky keeps up to 2 days. Frozen, piroshky keeps for 4 to 6 months. We recommend sealing in an airtight container or plastic before freezing.	Sweet piroshky can be left at room temperature for 2 to 3 days, or frozen for 4 to 6 months. We recommend sealing in an airtight container or plastic before freezing.
<u>REHEATING INSTRUCTIONS</u>	
<u>Oven</u>	<u>Microwave</u>
 <p>Piroshkies are happiest when warmed in the oven, 325° F to 350° F wrapped in foil. Approximately 10 minutes if refrigerated. If frozen, make sure that piroshkies are completely thawed before reheating to ensure that they will reheat evenly from the inside and out. Please keep an eye on these guys, as the oven temperature varies.</p>	 <p>Piroshkies may also be warmed in a microwave, wrapped in a damp paper towel for 1.5 to 2 minutes. If frozen, defrost before microwaving.</p>

If you have any questions, please email cs@piroshkybakery.com or call us directly at 206-764-1000.

Thank you,
